SPECIAL OFFER CLAYTON END ONLY - Purchase an adult half season ticket and get an U12 half season ticket free of charge.

Half season tickets are now on sale from the Stanley Store during normal office hours. Cheque/Cash/Card payments are accepted.

TERMS &
CONDITIONS

Definition of age for tickets is age at 1st January 2017. U12's will only be admitted to the ground if accompanied by an adult.

Student tickets are available to those in full time education. Proof is by production of a letter confirming full time educational status and photographic ID.

Existing season ticket holders who already receive an age related discount will continue to qualify for the concession rate, however to fall in line with the government's universal retirement age, supporters must be 65 years old to qualify for this discount for the first time.

Photographic proof of age required for all non- adult prices.

A carer ticket can be purchased at the Concession rate provided it can be demonstrated that this is required.

The Club reserves the right to offer ticketing promotions throughout the season but guarantees that season ticket holders will get the best financial deal over the course of a season.
